Lisa Molina, Diane Calmeyn, Greater Michigan PMC, and Dave Jones, John E. Green Company

The Greater Michigan PMC held its Annual Inspector's Luncheon. The luncheon program was emceed by Dave Jones, John E. Green Company (pictured left).

From a number of retirees, a full house of members and inspectors, representatives of the Bureau of Construction Codes in Lansing to Michigan MCA's Executive Director, all the necessary ingredients for a remarkable holiday party were there.

Cindy Maher has attended numerous times before, but this is the first time as MCA Executive Director. Congratulations, Cindy.

It also gives all in attendance the opportunity to hear what is coming from each of the departments in the New Year.

Left to Right— Irvin Poke, Executive Director of the Michigan Bureau of Construction Code Commission, Bob Konyndyk, Chief of the Plumbing Division of the State, Bill Valance, Chief, Boiler Division and Jon Paradine, Assistant Division Chief, Mechanical Division.

This luncheon provides an ideal opportunity for contractors and their employees to meet with local and state inspectors and officials in an informal setting to discuss items of mutual concern.

Again, this years luncheon attendees had an opportunity to donate to the Toys for Tots and Food Gatherers to help our local community.
